

Technical Data Sheet (TDS)

Crompton LED High Bay Light

Specification	Details
Product Name	Crompton LED High Bay Light
Model Number	CIP-328-120-57-60D-HL3-LM-NGG
Rated Wattage	120W
Input Voltage	120–270V AC
Rated Voltage	240V AC
Beam Angle	60°
Correlated Color Temperature (CCT)	5700K
Luminous Efficacy	120 lm/W
Color Rendering Index (CRI)	>70
Power Factor (PF)	>0.95
Ingress Protection (IP Rating)	IP66
Operating Temperature	-10°C to +45°C
Housing Material	Pressure Die-Cast Aluminium
Warranty	5 Years
Applications	Warehouses, Factories, Manufacturing Plants, Workshops, Logistics Centers, Distribution Hubs, Large Retail Stores, Industrial Facilities
