

Technical Data Sheet (TDS)

Crompton 120W LED High Bay Light

Specification	Details
Product Name	Crompton 120W LED High Bay Light
Model Number	CIS-337-120-57-60D-HL3-LM-NAE
Brand	Crompton
Wattage	120W
Product Type	LED High Bay Light
Lighting Technology	LED
Beam Angle	60°
Colour Temperature (CCT)	5700K (Cool White)
Light Colour	Cool White
System Efficacy	>130 lm/W
Input Voltage	140–270V AC
Rated Voltage	240V AC
Frequency	50 Hz
Power Factor	>0.95
IP Rating	IP66
Impact Resistance	IK10
Housing Material	Premium Aluminium Extrusion Housing
Application	Warehouses, Manufacturing Plants, Workshops, Assembly Lines, Airports, Logistics Centres, Power Plants, Metal & Mining, Chemical Industries, Oil & Gas, Pulp & Paper Industries
Warranty	5 Years Manufacturer Warranty
