UPGRADE STREET LIGHTING SOLUTION WITH

WANDERER

LED STREET LIGHT

WANDERER

LED STREET LIGHT

Crompton's newest LED street lighting solution, Wanderer is a winner. Perfect for lighting up gated communities, gardens and municipal roads. It uses a unique air vent technology which keeps temperatures low, needless to say this allows the LEDs to shine even brighter. The light also has an inbuilt surge protection. Be it rain or shine, this light does it's job of illuminating key areas with adequate light.
