

TECHNICAL DATA SHEET (TDS)

Crompton 70W HID Ballast – HDBI07S/MH-OTB

Brand	Crompton
Model Number	HDBI07S/MH-OTB
Ballast Type	Electromagnetic / Magnetic (V.P.I.T)
Lamp Type	HPSV / Metal Halide
Rated Wattage	70 W
Rated Voltage	220–240 V AC
Frequency	50 Hz
Running Current	0.98 A
Power Factor (Cos Ø)	0.38
Terminal Block	8 Pin Screw Type
Mounting	Base Plate Mount
Country of Origin	India
Application	Street Light / Industrial / Outdoor Lighting

Key Features

- Heavy-duty copper coil magnetic ballast
- Reliable starting and stable lamp performance
- Thermally protected design
- Long service life and low maintenance
- Suitable for continuous industrial usage
